

Ajiah Danai Hatcher

March 7, 2026 - May 31, 2026

Ajiah Danai Lyons, our precious daughter, passed away peacefully on May 31, 2026. Born on March 7, 2026, unto Ray Devonte Lyons and Ashaunte Janai Hatcher, Ajiah brought an immeasurable amount of love and joy into our lives during her short two months with us. Though her time on earth was brief, she deeply touched the hearts of everyone who knew her. She will forever remain our beautiful, little angel. She is cherished and deeply missed by her devoted parents, Ray and Ashaunte; her loving siblings, Montrez ReSean Lyons, Seraya LaLoni Lyons, Amirani Amirra Lyons, and Ray Devonte Lyons Jr.; and her extended family, who will hold her memory in their hearts forever.

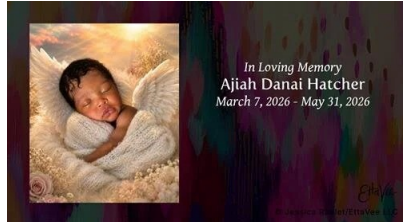

Heavenly Father, We come to You with hearts heavy with grief yet filled with faith in Your eternal promises. We place our precious daughter into Your loving arms. Please watch over her and hold her close as she makes her way in Your heavenly kingdom. Surround her with Your perfect peace, where there is no more pain, sorrow, or tears. Lord, we also ask that You watch over us. In our moments of deepest sorrow, be our refuge and strength. Comfort our broken hearts and grant us the patience and grace to endure each day. Strengthen our faith as we wait for the time when You call us to join You, and we are happily reunited with her in Your presence forever. Guide our steps, hold our hands, and give us the courage to keep moving forward. May Your love be our anchor and our constant comfort. In Your holy and comforting

name, we pray. Amen.
