“ *I miss my uncle Bobby greatly and sad that I cannot be there . I loved both my aunt and uncle very much . I remember staying with them as a kid and sitting in uncle Bobby's recliner with him . I've been told many times in my life that I peed on his head when I was little. Somehow I manage to sleep above him and aunt Linda and that's when it happened. I hope my story can lift spirits in hard times. I love you all and I'm with you in spirit. God bless.*
