“ Mrs. Antosh and her family lived across the street from my family my entire childhood. I always saw her at the Kmart store here before it was moved to Tullahoma. Then saw her there. She was always very polite and respectful. Mrs. Antosh always bought candy and magazines and such while I was in school and selling them as fundraisers. I am employed at Brad's Market now and I enjoyed seeing Mrs. Antosh come in daily. She was a piece of my childhood that I enjoyed and got to see daily! I am now 43 years old and have cried many tears over these past couple of months learning of her illness and now her passing! She touched my heart and my life in a very positive way and I will forever be thankful the Lord put her in my path. My prayers go out to each of her family members, especially those grandbabies. Love and prayers to each of them!

“ I first met Barbara on 24 June 1982 when I was assigned to Kmart store in Shelbyville, TN. She was my book keeper. Our relationship was much like that of a young 2nd LT (me) and his wise old platoon sargent (Barbara). She kept me out of trouble and we became a great team. After I was transferred to other stores through the years it was Barbara I would call and ask what I should do when I did not have an answer. She was my go to person when I wanted someone else's perspective. She could be counted on to get the job done without being told. Years later after I was divorced and had been transferred to Tullahoma I was blessed by having Barbara work for me again. She was not only the best employee I ever had in any store but a great friend. I can still hear her say to me. "Now Gary, do you think you should that" as she steered me away from trouble. To Ed, Mary and Matthew I offer my heart felt condolence. I was a very fortunate person to have had Barbara Antosh for an employee and even more blessed to have had her for a friend.
