“ *Ben was such a light in our RTS English classes. He had a great sense of humor, a love of life, a super work ethic and a sincerity and talent for good communication in English as well as Spanish. I can't believe his smile, his comments, his warm presence will be absent as we are going back to class. I pray for the family now, as I have been praying for Ben himself each day this summer. May he rest in Peace and Joy in our Lord.*
