“ My first thought of Betty was I had just gone to work for Congressman Van Hilleary and we were on a bus trip to Washington DC to see Van sworn in as U. S. Congressman. Betty was so nice to me and my husband, David. Not sure how old Jimmy was but he had made the trip with his mother. Jimmy wanted to walk around Washington D. C. and Betty asked me and David if we would go with them. It was bitter cold that day in Washinton but your mother's heart made it very warm. Brenda Knight
