“ *Cousin Brian you were always so cool to me. Every time I was around you would bring gifts and lots of laughter. I am sad that we do not have many memories from adult hood. My heart aches for the huge hole that is being left behind because of your loss. Praying Gods peace over the family. Love you man! Mandy Stallings*

“ *Although cousin Brian lived many miles away growing up I will never forget the times we did get to visit. He was one of the kindness men I've every known. I hope everyone knows he would not want us to fuss about him for long, though we will never truly be able to live the same knowing he is gone from here. He is in God's grace now.*
