“ My husband and I have had the pleasure of working with Bruce for several years. The Bruce that we have come to know, was one of kindness, comedy and love. You could always count on Bruce to make you laugh when things seemed dim and he was always a kind soul to everyone he encountered. He very much loved his family, and he talked about home and his grandchildren often. What a great loss to his family, and those that called him a friend .His memory will continue to live through all that knew him. It was very sad to see his empty desk this past Monday, and we all know that he will never be replaced. Bruce impacted the lives of all of his Brownell Enterprises coworkers, and we pray that his family finds peace with his abrupt passing. We miss you already and God bless your family and those of us that came to call you our friend. You will remain in our hearts eternally.

“ *Bruce was one of my best friends in High School, and even though we didn't keep in touch as much as I wish we had, whenever I saw Bruce, it was like no time had passed at all. I will always consider Bruce a true friend, and I wish I had the chance to tell him how much his friendship meant to me. My deepest condolences to Bruce's family, you are all in my thoughts and prayers.*
