“ I was blessed to know this sweet and gentle man. He became fast friends with everyone and my daughter loved to talk with him about dinosaurs. Although I have not seen him much since he left the home everytime I did see him I would get that great smile and a big hug. I will keep your family in my prayers. God Bless

“ It is with a saddenend heart that I have to write this... Wayne and I had some great times together. One of my fondest memories was working with him for almost 16 years. He enjoyed going to Talladega several times with me and close friends. He also enjoyed getting out on the lake on the pontoon boat a few times a year. His warm heart and love for his friends made you smile every time you saw him. He will be dearly missed!!!

“ *Being four years difference, Wayne and I grew up together. He was my uncle.... we did typical childhood things. We explored, build things, fished and hunted, horseplayed, got into mischief and wrestled. Wayne could be a comedian and he could make me laugh. Gone is the pain he has endured these past few years due to his illness. He is now at rest; safe in the arms of Jesus! Wayne is more alive now than he has ever been.... "absent from the body, he is present with the LORD" I'll see you again, Uncle! ---Your nephew, Bo*
