“ I've known Carlie since her and Phillip were married, this has to be devastating to the entire family and my heart aches for each one of you. I will pray that God will comfort you all while accepting Carlie with open arms for her always being a Christ follower. None of us never know when our day will come, being prepared by accepting God into your heart is the first and most important commitment to consider. God bless Carlie and all the lives she touched.
