“ So many fond memories of the love and life Carol Lee shared with our family over the years... guiding my young boys through their garden then sharing their bounty in the summers and again at Christmas w jams and plantings (still have some). Mark taking the boys to Bedford Lake to learn to shoot then years of watching them shoot together at trap competitions. After she was diagnosed, sharing time at “Lawson’s office”. The long ‘catch up’ phone calls when we didn’t see each other to gab “in the ‘hood”. I will miss her grin, her loving heart and the fanciful outlook she brought to every moment of life. Peace to you Jack, to Mark & Lea Ann, the outlaws & grands.

“ We are so sorry for the loss of this sweet lady. She feels like our family. Although we have worked for her for about 15 or 16 years she was always a friend first. We love her and Jack and will miss her more than words could say. I know this sweet family will have a hard time without her in your life. We love you guys and will pray for you all.
