“ *Miss Carry is the type of friend that we always made back years ago she was always thoughtful she helped me through many night on third shift should we bring her smiling face around to where I was working and brighten my night . When talk about our kids and the things they do then we laugh about them she made working third shift a little bit easier . By just being a good friend we need more people like her in this world she will never be forgotten.*

“ I will never forget Carry, There is 11 yrs between my middle and last child. I had given all the baby stuff away. Carry gave me the biggest shower at Calsonic. I got everything, That was 33 yrs. ago. Whoever we would run into each other that would be our conversation. I introduced my son and he thanked her. Thank You Carry, now you take your rest.
