“ Charles and I was in the 4th grade together. Our put on a 50/60's show for the PTO and we was bebop dancing couple in the soda shop. During that time we decide we was gonna be boyfriend and girlfriend. Well went together in the 4th grade until the program was over we broke up. I had many classes with him at Cascade from elementary to high school, and got in trouble with him a few times in class.
