“ I was never aware of Mr. Willard's name, but knew the man in white, working in the seafood dept. More then once I told him that I could smell it when walking in the door. I am shocked to say the least. I went on Tuesday to get groceries, I caught myself looking for him, then I remembered and my breath caught and my eyes got misty. To all of his family, including his Kroger family, my prayers are with you all at this time. Please don't think of him as being gone cause he is just waiting for us all, God Bless!!
