“ There are no words to express how sorry I am for your loss. Cory touched alot of hearts in his years on this earth including mine. The way he spoke of God and how he took comfort in his word is amazing. As the saying goes "God broke the mold when he created him". This community has watched him grow not only in his life but also in his walk with God. I know heavens gates opened wide to let him in and the angels rejoiced. I pray for comfort during this difficult time for the family and friends. Cory will truly be missed. That amazing smile that could light the darkest room and those beautiful eyes. He is in God's hands now and will wait for the rest of us to join him when it's out time. Prayers and love, Carrie Shelton
