“ Brenda, we had some good times together. I am sorry to hear of Danny's passing but we both know he isn't in any pain now. My thoughts and prayers are with each and every one of you. I would come, but I am under the weather and don't want to give what I have anybody. Love to all of you.

“ So sad to hear of Danny's passing. I just found out through a friend. Danny was my cousin and he helped me out when I bought my first car here. Always happy and smiling. You are no longer in pain. I love you.
