“*Ms. Demetria worked as a volunteer at Heritage Medical Center. I had the honor of working with her in my department. I looked forward to the days she would come help us. There was always a smile on her face, and she had such a willingness to please. We also shared a love of crocheting. Crochet patterns were swapped back and forth. Ms. Demetria crocheted many hats and scarves for me to take on mission trips to Romania and Moldova. I will miss my friend, and will forever remember her in my heart. Freda Lamb*
