“ *My deepest sympathies to the Jackson family. My memory of Keith dates back to high school. He was a kind, caring, fun loving person with a wonderful sense of humor. High school in Shelbyville would not have been the same with out KJ in our class.*

Thanks for the memories my friend.

Sorry I am unable to be there this morning, because I have a cold. My prayers are with the family in their terrible loss. Keith played football for me at SCHS. My first year there and he was a Senior. Good player, great person

“ *My sincerest sympathies to the Jackson family. I hadn't seen K.J. in years, but he is still in many of my most cherished memories. He was the sponsor for the Jiffy Oil Jaguars youth league football team I coached, my Prophet brother, and my dear friend. He will be greatly missed.*
