“ *We sure have had some TIMES together, Cuz !! Tate Street had our names written in stone, growing up. Football basketball , softball games, parades, horseshows, and Thomas School Gym times were our WHOLE lives, back them. And the CRAZY, thing is that we made it to most of those events on foot, or in broken down cars. I remember us telling my mom that we had to get to Horse show, to check out the horses. She looked at us and said "The only horses ya'll are checking out, have two legs !" I thought you would never stop laughing about that. Then you said "She knows us better than we thought !" That infectious laugh will be with me forever, Cuz ! So glad that the last words we said to each other were "I love you !". See you in the blink of an eye !*
