“ We moved next door to Dottie about five years ago. We became quick friends and had some wonderful laughs and good times. She was a precious soul that I was blessed to be afforded the joy of knowing her. I never met her husband Raymond but I felt as though I had through her stories and the pictures she graciously shared of their life together. I will treasure the memories of her and though I miss her already, I'll think of her and know that she is in a far better place with her Raymond. Rest in peace sweet Dottie.

“ Tim, Randy and family. So sorry to learn of Dot's passing. Tim, I remember so well the good times we had watching your and Darren playing baseball., except the day you broke your ankle sliding in home while he was at bat. Dot was always a joy to be around and always a Lady. You are all in our prayers and hearts. Much love—
