“ *Mr.Rowlett was one of my favorite patients while I was a nurse at Boulevard. Our morning ritual was our pretend boxing. When he didnt want to take his medicine he would pretend he was sleeping and start snoring. I would start laughing and then he would open his eyes and grin. Then he would tell me to give him a coke. One word described that man. PRECIOUS! Im really going to miss him. My heart goes out to Roy and the rest of the family. Lisa Vining Thompson*
