“ *Pappy there are so many memories that I can talk about, but the main two really stand out, when we lived in Clarksville u reached out to me and let me know u were coming down! You killed two birds with one stone You took the time to visit but also brought us Horse Show Donuts! The one thing I'm definitely going to miss is getting a phone call and u Saying MARCELLA! I Love You! I will miss u! No more suffering baby, no more heart aches, you are at peace! Until we meet again ! Rest on baby!*
