“ *I am saddened to learn of Florence's passing. My condolences as well as a hello to the family. While Florence and I had fallen out of touch since her move to Tennessee I have many fond memories of the times we, the Howard family, spent with the Barrett family growing up. Florence spent much time with us during mom's final days in 1979 and I'll always be thankful for the emotional support she gave to dad during that troubling time. I remember her dry sense of humor and her wit more than anything. I can still vividly recall the wild trip to Winnipeg in 1979 with Florence and sister Liz. It all goes by so quickly. Rick, Lynn, Freddy and Tommy hello, and I'm thinking of you.*
