“ *One of the things I remember about Garry is his love for kids. He would have a pocket full of chewing gum and my son Adam would always wait for his gum . Brother Garry enjoyed making the kids smile and giggle . Thank you Garry . I remember him talking to me about the Lord Jesus and always welcomed me and my son to the Estill Springs Church of God. He lived the life worthy of his faith . I know Jesus has told him "Well Done Thy Good And Faithful Servent "*

“ Brother Gary was one of the finest, hard working, devoted husband, father, and servants of God that I have ever known! He was also a pretty darn good fisherman to! I remember when I got my very first bass boat. Bro Gary and I went out to Woods one night bass fishing. I asked him if he had ever tried a spinnerbait at night (25 years ago this was a new concept for fishing for bass at night)! He agreed that he had never done that before but he would give it a try so I toss him a spinnerbait and show him how I fish it for a minute or two The next thing I know I'm behind by three fish! With every fish he would catch he would chuckle a little more! I watched him out of the corner of my eye and couldn't figure out what he was doing different allowing him to catch more fish than me but I couldn't see him doing anything different! At the boat ramp after loading the boat I finally asked him what his secret was and he said " Brother, there isn't any secret here, you just have to have faith that God will provide so I just said a little prayer"! He never gave up an opportunity to praise God and give God glory! You will be missed in this world my Brother! See you on the other side some day, I'll bring the spinnerbaits my friend!
