“ I worked at AEDC under the contractor, Calspan, when Gene was the Director of Personnel. I had never had boiled peanuts until working with Gene, and oh how he loved going home and bringing back his favorite snack! Gene was such a delightful, considerate person and always had the employee's best interest at heart. Several of Gene's AEDC co-workers have already passed away or I know they would be visiting with you during this time. My condolences to the Bedsole family.

“ I have fond memories of Mr. Bedsole coming to Trussville to watch Connor's Little League baseball games. He was always so kind and supportive of Carly and Connor. I remember thinking that I wanted to like him when I have Grandchildren. May the entire family have God's Grace in this time of loss.
