“ I have known this family all of my life. I have not seen any of them in several years. I will always remember growing up we would visit Guy and his family often or they would come to our house. On our first trip to PCB Florida, Guy, Sarah, and the boys joined us. I was ten years old at the time if I remember correctly. After they moved to Rabbit Branch Road I did not see them very often, but I will always remember them.

“ *Very sorry to hear of Guy's passing, and wishing sincere sympathy to the family. I worked with Guy several years at SCB and he was always straight up and dependable, if he said it would get done, you could depend on it's getting done. We would eat lunch together some days... he always wanted me to get the chicken!!*

“ *Remember in the early sixties when we were both stationed in Germany, visiting with Roy and JoAnn Savage at Bittsburg AFB in Germany with Guy, Sarah, my wife Monika and myself. Roy being a member of the racing Club took Guy and I on a run around Nurburg Ring , the famous race track, in his Austin Healy. Guy was sitting in the back of this car as we flew around the track. It was all Guy could do sitting cross ways in the back of that little sports car to keep his composure as we hit the curves and Roy saying "I think we overcooked on that one! I think we had fun!!!*
