Gwen I just read where you and Gina had past away . It's been several years since we talked. You have been in my thoughts and will always. I still laugh when I think of the things we always got into since Jr High. I remember when we were going to run away. We would to each others house (I just lived across the woods from your house) . Everybody knew where we were. I will always love and miss you .

“ I don't know how to say good bye to you. We said hello at six years old and now 64 years later I have lost you too soon. Too soon and unexpected. I thought our conversations filled with love and laughter would continue for years. I thought I would get to see one more time again. At least, that was my hope for us. Gwen, I won't forget all the fun loving crazy times we had together; and I won't forget you. I will miss you always. I will miss you until the day I die. You were and always will be the sister of my heart and beloved friend that I can't say goodbye to. I just can't. You will always be with me whispering in my ear, "get er done Jo, get er done." :) Thank you for all years. For the unconditional love and my Tullahoma Sign. Only you could have pulled that off. I love you Gwen. XOXOXO, Jo
