“ She was a dear friend who will be missed by all that knew her. We worked together on the Habitat Ball Fundraiser for 15+ years and I always was happy to be able to spend time with Hilda during that time. Hilda had a smile for everyone and I was honored to be a friend.

“ I will not be able to attend Hilda’s service as I have doctors appointment. Just want you all to know how very sorry I am. I loved her. My memory will forever be with me. While she was working at Magnolias,I went in to try on clothes. At that time shoulder pads were beginning to go out and we were all so accustomed to having nice square shoulders. I put on something and looked like a broken coat hanger to which I said, “ Hilda, come in here”. As she entered she said “goodness, you look like you’ve been in a bad accident with shoulder injuries!” We both burst out laughing . She ALWAYS told me the truth and I loved her for it❤️❤️ I will miss that humor and that beautiful face😭
