“ *Praying for Will's family and friends. I was his 8th grade ELA teacher, and although I didn't get to have him in class for an entire year, ( Due to the Covid epidemic), I remember that he was a kind and funny young man. He always had a smile on his face, and he lightened up the room, every time he came in. I am so sorry for your loss. May God bless and comfort you, during this very difficult time.*
