He was so much more than a brother to me. From my childhood on, I've looked up to him and have admired him for his quiet and humble lifestyle. He has been a daddy to me since ours passed away when I was 26 years old. He had so much love and concern in his heart. He gave of himself in so many ways. Hes Left so Many good memories behind for me. I will Miss him dearly but I know he's in a much better place now and we will all be reunited one of these days.
