“ *Jim left all of us so many beautiful memories. He could capture just the right moment forever in print. We have just one of those hanging in our family room that we shall forever treasure. This photo is a 24 x 36 of an early morning sunrise backdrop in shades of orange and gold, an RV6 taking off from Shelbyville Airport with a sleeping DC3 in the foreground. Of course the RV6 is flown by friend Bill accompanied by Dan. We always tell our guests that our friend Jim Henderson took that shot just for us, but we know he took it for all. Jim will be greatly missed not only by his sweetheart and his loving family but we'll all miss him too and the photo journals that just seemed to keep coming. May God comfort you, Susie, and your family as only He can and give you peace.*

*We love you dearly,
Nancy & Dan Garrett*
