

## MS Janet Lynn Reese

December 16, 1964 - September 25, 2021

Janet Lynn Reese (Jan) 52, of Shelbyville, TN passed away September 25th, 2021 due to complications of COVID 19.

Jan was born in Cleveland, Ohio December 16, 1964. Jan in her short life had touched many souls. The most recent encounters were through her endeavor of Reese Transport. Which she was so proud to call her own. Jan despite the hardships in life always tried to look toward the positive and stay strong. She found strength in our heavenly father and in that she found strength within herself. She was not a complicated person. She was simple and proud in her accomplishments. She battled like we all do, but she would not let anyone help her, nor would she admit defeat. She would fall and get back up and try again. So, with that, she was also determined beyond the norm. If you could take one thing away from the relationship you had with her it would be to have the ability to see past all the hurt in this world and still work for the best, YOU one can be. She was an arsenal of knowledge, pick a topic any topic. You hit a wall? Talk it out with Jan, she would talk about solutions, they may not be the easiest solutions but from her wise stance, they were the best. She had the unique gift of seeing the situations from all sides.

Jan is survived by her two sons: Joshua and his wife Ana Stepanov and Zachary Stepanov, her brother Rick and his wife and nephew Eric Reese. Sandra Daniels who deserves to be mentioned was a mother figure to Jan

and a lifelong friend. She was always there when Jan needed a shoulder to cry, and an ear to listen. Jan chose her and she chose Jan. Their bond was inseparable. She was a woman with great fortitude and strength, wisdom beyond her years. She will be missed. Rest in Peace
