“ Jeff....we had some great times growing up. We rode bikes and listened to music and an occasional Richard Pryor album. Your sweet mom always fed us well! I enjoyed the trips to DQ that your grandfather took us to on Sunday afternoon. Who knew I would work for him at the car dealership one day. My best memory was the time my parents surprised me with you going to FL on vacation with us. We fought like brothers from time to time but we always worked it out. Man I can't believe your gone! I wish I could give your mom a big hug. My thoughts are with her and Paige! I will miss you my friend!!!! May you walk in a better place than this world we know!

“ We grew up in the same neighborhood back in the day. He lived on Rolling Rd and I lived on Chestnut Dr. Needless to say we had our share of water balloon fights and yard rolling with the whole neighborhood. Rest in Peace my friend.
