“ To Yolanda, Chris, and Tricia,  
My most sincere and heartfelt sympathies to you all. It's been years since I have seen Jere but I will always have good memories of his crazy reckless ways! He texted me over the holidays and it brought back a lot of memories. I live in Georgia and very rarely get a chance to touch base with the old gang. Jere was an extremely talented artist and I hate that such potential to expand and share his abilities and work is now passed. The world will be a little lesser for it and certainly a lot less colorful! My prayers for your healing and peace. Please let me know if there is anything that I can do to help you!
