“ Jo Ann lived next door to my parents.Homer and Ilean Nelson and their 3 kids still at home.

Jo Ann and her family were wonderful neighbors to my mother and daddy.

She worked hard all day at the police station then came home and cooked her supper like most women would do.Her washing was done by her daughters.There wa so many clothes they had to use my mothers lines in order that the clothes would dry.

I remember when Donnell was in first grade his class went on a field trip.Each child had to bring a sack lunch.Joe Ann got up early that morning and fried Donnell chicken for lunch because that was his favorite meat.No sandwitches for him.

He offered every teacher there a piece of chicken.

He not only had chicken to eat he had the works,pork and beans.salad and biscuits.

Jo Ann was a good mother and i know her children appreciated her and loved her.She was a good Christian woman who did her duty to her husband and children.I know they were so proud that she was thier mother and she was proud of each one of them as her children.Jo Ann i will always remember you and love you like my mother and father did, as a lady loved by all who knew her. You will be missed and remembered.

God Bless all of you.
