The Little Things That Happen

*The little things that happen
Are tucked into your mind,
And come again to greet you
(Or most of them, you'll find).*

*Through many little doorways,
Of which you keep the keys,
They crowd into your thinking-
We call them memories.*

*But some of them are rovers
and wander off and yet
So lost, the keys grow rusty,
And that means-you forget.*

*But some stay ever near you;
You'll find they never rove-
The keys are always shining-
Those are the things we love.*
