“ Dearest Mrs. Seals, my heart is saddened with the news of John's passing. I will always remember you and him as two of the nicest people that I had the pleasure of serving. For a total of 24 years I was your U.P.S. service provider and coming to your home was always a good part of my day. I will be praying for you and always keeping the memory of you two in my heart and mind.

Sincerely,

John C. Hickman

“ oh my dear Doris, what fond memories I have of you and your beloved John when I first started at Delta as a stewardess in 1963. You both were so kind to me and it is an everlasting memory in my heart. I remember meeting you even before you married and how thrilled I was when I found out that you were dating one of my favorite pilots! Yours is a true love story and my heart is breaking for you even after all of these years. Please know of my loving thoughts and prayers. May our God of all comfort embrace you with his love and peace. Janice Barfield
