“ Dear family,
Denny and I are devastated to hear of Bakers death. The man who helps on our farm, Larry Corker, told Denny just today! We've always cared for Johnny and had it not been for his work and devotion over the years we'd not have made it through many home emergencies. Once when Denny and I both had the flu, Johnny came by everyday and slipped supplies into our bedroom then left. He was a kind gentle soul and we will ALWAYS cherish that friendship.

Love to all,
Denny and Thesa Hastings
