Visitation will be from 5 – 7 pm on Wednesday June 26th at the Feldhaus Memorial Chapel. Visitation will start at 5 pm and extend up to the start of the service at 6 pm on Thursday.

Jonathan Lee Price was born on March 5, 1982 in Atlanta, Georgia to Larry and Carol Price and left this world at the age of 37 on June 21, 2019.

After graduating from Central High School in Shelbyville he attended the University of Tennessee, graduating with a Bachelor of Arts Degree with a major in History. He was an active member of the Lambda Chi Alpha fraternity, while in Knoxville. After graduation Jonathan & Stephanie moved to Washington, DC to work for a lobbying firms until they moved back home to Shelbyville to join his father's business at Professional Roofing Contractors. Jonathan was a natural born salesman and project manager and became a Vice President in the business.

Jonathan enjoyed his work, but also took time to enjoy his friends while hunting, fishing, and playing golf. Most importantly, he loved spending time with family and friends. He was a man who cherished life and lived it to the fullest with no regrets.

Jonathan was also an active member of several organizations in Shelbyville. He served as a member of Rotary International, United Way of Bedford County, and the Duck River Education Committee and was a leader in the Duck River Clean-up project each year.

He will be missed by his loving wife Stephanie Crosslin Price, his parents, Larry & Carol Price, brother Stephen Price (Heather), sister Susan Price, nephews Nick & Noah Price, Gabe Velasquez and niece Mia Velasquez among a great many more family and friends. He is preceded in death by his beloved grandparents, Dorothy Orr McCall, John Fraser McCall and wife Mary McCall, Avery M. Price and wife Myrtle Lamb Price.

In lieu of flowers a donation to the Duck River Watershed Education Committee 210 E Depot St Shelbyville, TN 37160 or to the Cholangiocarcinoma Foundation would be very much appreciated.

“ Stephanie, Mr. and Mrs. Price,

*Jonathan was in our life for a very short time, but his impact on Landen and our life will never be forgotten. We were truly blessed because of his laughter and his sweet compassion. I am thankful we spent time together Jonathan's last year at UT. Landen still has the picture with Johnathan amongst his special things. I cannot be with you tomorrow, but I will pause during the time of the service to pray, cry and celebrate him.*

*Love from Knoxville,*

“ Dear Stephanie and The Price Family,

*My deepest sympathies go out to you and your family during this difficult period. I was sincerely saddened to hear about Jonathan's passing. I have fond memories of spending time with Jonathan as a close elementary and middle school friend. My first thoughts recall him as a fun, energetic, kind, and positive person. One's character during those early years speaks volumes to the person they are and the person they will become. He was truly a genuinely good person and friend that was taken too soon. You are in my thoughts and prayers.*

*Warm Regards,

“ Jonathan we will miss you may God shine as bright on you as you did on others . Your smiling face and positive attitude was something that always served you well. Talented beyond years he possessed an unique understanding of others and willingness to go that extra mile. I will forever remember you as being someone we could all look at as an example of how to do things right. Heaven just got a lot brighter as you a Shining Star are home.

Thank you Jonathan for the memories, May your Family get comfort from our Lord & Savior Jesus Christ.

Prayers,

“ Not only did a wife loose her husband, a father and mother loose their son, but an entire community lost one of their rising stars. Johnathan was one of the best of us and not only did we loose him we lost all of his potential, and man did he have a lot of potential. Johnathan really cared for the people of Before County and worked to make it even better for every person living here. This isn't something surprising it was obvious but the problem is there are large shoes to fill. I hope we can all in some way try to continue the good works he was involved in. May he rest in peace.

“ Jonathan was a wonderful young man, he and Grey were inseparable in school, was at our home many times and always a well mannered young man. He loved my corn bread sticks and always had at least two in his hands on the way out the door. My love and sympathy go out to Carolyn and Larry on their loss.

*Larry and Carol, I am so sorry that I was not aware of Jonathan's illness. I cannot imagine the depth of your sorrow. My doctor's do not allow me to attend funerals these days, but I would come if I could. Just know that you and your family will be in my prayers today and in the long days that follow. May God bless you and give you peace.*

*I met Jonathon one time after moving to Shelbyville in 2009.  
As a person that recognizes people fairly well, Jonathon appeared as a  
dedicated family man that loved his family with dedication to them as a  
man should have.  
He seemed to me as an honest man that I would trust in most walks of  
life.  
I find sadness that his life was brought to such an abrupt end when  
there was so much he had to share.  
He touched more souls than anyone will ever know.  
R.I.P. Jonathon Price, and our prayers go to all of your loved ones, and  
all those who cared about you!*
