“ I'll always have many fond memories of cookouts, bonfires, and kick ball with Uncle Joey. He loved to cook on the grill and have friends and family over to hang out. He was a warm man with a big heart. He will be missed so much and I'm grateful for those times we all shared as a family. Much love to you Joey, until next time.

“ Joey, you were my big brother, I looked up to you, admired you and loved being around you. I always felt safe in your presence. You were a great brother and I am so grateful to have been close to you and to be able to treasure the memories I have of us. I'll never forget the bond we had, collecting bottles with you and Jr. The fishing trips with Dad, spending time with our families and most of all hearing your voice when you called. I've missed you dearly these last 20 yrs. I will never forget you brother. I love you, rest easy....

“ I always liked his big and boisterous presence when he came in to a room. I had him and Dana to my house for Christmas eve dinner and we had a wonderful visit. He was happy and looking good. The last time we talked on the phone he said "I love you". I said I love you to Joey. I miss you. I hope your spirit has flown high and you are with everyone you love. God Bless you.
