“ *I was TRULY blessed to have a mother that was so absolutely wonderful and giving of her time and understanding and I can honestly say she was my best friend! I asked her how I was supposed to go on without her and she said" Put your faith in the Lord and he will carry you till you can walk again on your own". The last thing she asked of me on Tuesday, was to take care of my Dad. That's how she was, always thinking of others more than herself. I know she is with family and friends that have gone before and most especially the Lord. He needed Mom to return home to him and her pain and trials are now over. I am so grateful God chose to make her my Mom. I am devastated by her loss, but I will never regret the pain I'm going through, because it is far offset by the many blessings, joy and LOVE I was blessed with being her daughter. Until we meet again, I love you Mom! Jane*

“ *Hershel,
It has been 26 years since we last saw each other in Oklahoma. In the Navy you followed me to Argentia and Jacksonville. In civilian life it was Indianapolis & finally Oklahoma City. You have now followed me into being a widower. I am surprised to hear of you leaving your beautiful home in Edmond but being with your lovely wife was obviously the most important. Wishing you strength in the solitude of your future. My thoughts are with you during this difficult time.*
