“ I didn't know Runez until later in life and I had a great love and respect for her. She was a joyful soul and quite a character. Love listening to her stories about our Carlton ancestors. You will be greatly missed by all.

“ I never met or spoke to Joyce in person. We met through an online game. She quickly became a very dear friend of mine. I often thought of her as a second mom. We became confidants for each other. I'm a better man for knowing her. God bless you, mom. I'll miss you.
