“ Sharon, Mark, Brenda and Michael - Your mother and your father were very good parents to all of you. I know you are missing them so much. I have so many fond memories of growing up and playing with all four of you at your house as kids.

“This is a special note to Sharon”. I am so sorry for the loss of your mother. I have wanted to apologize to you for so many years. I'm sure it doesn't mean anything to you from so long ago but it has bothered me for so long. You always seemed like a child to me and I wanted the best for you. At the time I thought it was best but have finally figured out that it wasn't my place. That said I am offering my heart felt sympathy to you. I didn't realize that your father had passed. I'm sorry for your losses and will say a prayer for you that something will bring your entire family peace and God will bless you. I still love you. Frances
