“ *Kenneth was working at State Farm at the time I was. He was such a nice person. I remember he was left-handed, and wore boots. My family was from Fairfield and knew most of the Wisers. They were fine people. My heart goes out to the family for the loss of this good man.*

“ *There are so many wonderful memories I have of Uncle Kenneth. Every Sunday when I was growing up, all five siblings and their families would have lunch and spend time together at Newman and Pearl's house. With Ken's passing, my mother Bess is the only one left out of those ten wonderful people. Ken always loved us stopping by to visit him, especially after Edwina passed. He will truly be missed.*

*Love,
Jimmy*
