We loved Kevin as our on. He is going to be missed more than words can say. He had a big heart, and because of that, a lot of People, took advantage of him. He always said I was his Angel. RIP Kevin , You now can be my Angel 😊

“ *Kevin you will be missed brother. Kevin worked for me for several years at my farm in Wartrace. He was a devoted employee an loved a good horse. One of my fondest memories of Kevin was running beside me into the celebration ring to gather the silver of Paige Reid an his favorite Mountain Time winning the 3 yr old Amateur class! He always called me boss man an when he learned I was sick he came to see me an said Boss Man you've gotta beat this cause we need to try one more time ! Kevin was a true friend an I know he's in a better place!! My condolences to the family. Sammy Day*

“ Kevin operated the best lawn care service in the area. He was a hard worker, and above board and honest in his business dealings with me. He mowed our yard for years and really made it look like a show place. His lovely daughter and his family are in my prayers. May the Grace of God be with you all!!!
