“ *Larry Fletcher, I have loved since I was first introduced to you. You and Sally had such a special relationship that I always admired. You were such a funny, loving man and you will be missed my many. I have not seen you for many years but I hope I was the only daughter-in-law you made “Toenail Soup” for! I thought of you and tour jokes often many years after that. Rest In Peace and May God bless all your friends and family! You will be missed!*  
*Love ya,*
