“ I had the pleasure of meeting and working with Larry at Kroger. When I began in November, I was very anxious being much older than most of the employees. Larry greeted me every evening as I made my way to the bakery. I will always appreciate his kindness. I lost my husband to cancer twenty years ago and I also have two daughters that loved and adored there daddy. I will lift your family up in my prayers. Please except my sincere sympathy for the passing of your husband and father. I am very grateful to have known him
