“ Dorothy, Lorna from the Gabriel House called me today to tell me about Larry.
All of you are in my thoughts and prayers.
It was wonderful to get to know you and Larry when he was receiving treatment at Mayo Clinic Hospital Jacksonville and we were staying together at the Gabriel House.
My husband received his new heart on January 29th and is making a remarkable recovery.
Please know that I love you and enjoyed our friendship. Larry is now cradling that precious grandson you told me about. They are both in the heavenly home with God❤️💕❤️
Take care of yourself!
