They say there is a reason,
They say time will heal.
Neither time or reason
Will change the way I feel.
Gone are the days
We used to share,
But in my heart
You are always there.
The gates of memories
Will never close.
I miss you more than

“ *IF you want to respect my dad...*

Watch the sun rise , and see what God have made...

Pet your pets, and see a friend that God gave you.

Tell your family,, " i love you." see what God gave you..

Work every day , and thank God you can..

*spoil yourself, have some biscuits and gravy, ,,because God gave
you life
and he loves you..*

that is how my dad saw everyday.

“ *Uncle Leon will be missed greatly. If you knew him at all you immediately knew how passionate he was about NASCAR. He followed in his father's footsteps and dedicated his all to taking care of the farm. He always made me feel loved when I was around him and always had a smile. He will be missed by many and remember as being a great man. We love you- Joann*
