*Thank you so very much Connie! We truly appreciate your expression of sympathy, and most of all, your prayers. We also have so many fond and unforgettable memories of our years in Howell. I had saw your Dad in Walmart, a few days before our Mother passed away, and we stood and talked, and reminisced about life in Howell, and let me know you all would be praying when I told him that Mama was in the hospital. Thanks again for your love and kindness. It means so much!
