“ I didn't know Logan personally, but he was in the young adult group at my church (Towering Oaks Baptist Church) and worked at the same coffee shop that many of my friends work at and frequently go.

I have been moved to tears by both the loss that his parents and family have had to face and the outpouring of song and praise to God that have broken out in my church and community in the middle of such sadness. I am continuing to pray for the Drawdy family and those who know and love him.
